Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this true story of the sea, I describe the events of six days in October when my wife and I fought to survive aboard our dismasted, engineless yacht with no means of communication with the outside world. I write frankly about what we did right and what we did wrong and there s plenty for the reader to ponder and discuss. Since these events, equipment, especially electronics, have changed beyond recognition but one thing remains constant: The Sea.
