Partridge India, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Story of Burzen-garth is a fictional depiction of a magical land that makes its self known as an eternal struggle of the mind to cope with foreign bodies-the battle against disease. We come across strange beasts that are good and bad, all symbolic of the psyche and the magical nature of how healing work s on the body. Strange ways are brought to light as the journey of the hero transforms into the work of destiny. This is a little memento of the work of an ageless dream that humanity constantly searches for in philosophical, classical, and spiritual literature.
