

Marrying Up (Paperback)

By Wendy Holden

Headline Publishing Group, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. She stopped at nothing. To get everything. Scheming social climber Alexa may be humbly born. But she's a class-hopping cruise missile aimed at the very top of the gold-digging tree. Only a title, mansion and family tiara will do. Befriending feckless aristo Florrie (three surnames plus black hole where her brain should be) means the grandest doors swing open and the prince of her dreams is in sight. But has Florrie's mother, the formidable Lady Annabel, rumpled what Alexa is up to? Beautiful but penniless student Polly, meanwhile, is in love. Is Max, the handsome young vet she's found in a country lane, quite as ordinary as he seems, however? Passionate love, eye-widening snobbery and more than naked ambition abound in this contemporary Cinderella tale - a deliciously satirical novel of the upwardly mobile.
