Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. So you re considering selling a house, but what now? Where should you begin? Are you worried about leaving money on the table? Do you feel the 30-year-old decor may impact your price? Have you heard about others who sold their home and in hindsight felt they could have done better? If you want to be coached on this process from start to finish, then this is the right read for you! As a real estate expert, I have summarized over 15 years of getting the most money a market will bear for my clients and packaged it for you. Written to be short, fun, and powerful, this will give you a sports playbook-type approach to WIN at the game of selling your house for the most money possible, in the shortest period of time, with ease, and in any economic climate, anywhere in the U.S. This is one small investment you can t afford not to make. I break down each step of the process, provide insight into getting the edge over other inventory, and identify how to find the best team to assure your check at the closing table is as large as possible. Thank you for considering this advice, and I hope to hear from you!.
