It doesn t matter how many times we fall down in our lifetime.as long as we don t stay down. Our possibilities are limitless as long as we make the choice to never give up. In this book I share with you a few of my lessons on my journey- and no matter how much diversity, chaos or tragedy I refused to give up on myself. I refused to listen to critics who didn t believe in me and know my true strength. I was a conqueror and knew as long as I had breath-I was able to push forward. When we succeed in conquering ourselves we have the ability to help our community, nation and the entire universe.
