Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. 1001 Dark Nights is a collection of breathtakingly sexy and magically romantic novellas inspired by the exotic tales of The Arabian Nights. In the original, Scheherazade desperately attempts to entertain her husband, the King of Persia, with nightly stories so that he will postpone her execution. In our versions, each of our fabulous authors puts a unique spin on the premise and creates a tale that a new Scheherazade tells long into the dark, dark night. Newbie vampire Oliver and Ursula, the woman he saved from a blood brothel, are finally tying the knot. But with Ursula s old fashioned Chinese parents arriving in town for the traditional wedding, chaos soon breaks out with Oliver always one step away from accidentally revealing to his soon-to-be in-laws that he and his extended Scanguards family are vampires. And midst all the chaos and confusion, a stalker lurks and threatens to tear Ursula and Oliver apart before they can blood-bond.
