Potentials Press, United States, 2012. Paperback. Condition: New. large type edition. Language: English . Brand New Book ***** Print on Demand *****.The new science of consciousness has proven that quality of consciousness creates quality of health, relationships and life. Peter McGugan makes discoveries of that new science a mind-opening and life rejuvenating read. He s widely considered to be the first person to satisfactorily define what consciousness is. Rejuvenation begins within you, and the bigger and brighter your consciousness is, the better your life is. This easy to understand guide for BEing higher consciousness also offers consumers and managers the traits of conscious commerce, making this a guide for rejuvenating sustainable quality of life for yourself and your whole community. Occupy Consciousness has already inspired the formation of book clubs and Communities of Consciousness on several continents.
