Reviews

It is one of the best books. Better than never, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

A movement where God uses ordinary pastors, church leaders, and lay people to bring declining and dying churches back to life. In Replant Roadmap, Mark Hallock will help you begin to think through the why's and how's of replanting dying congregations, helping them to experience renewed hope and revitalization.
