Brand New Book ***** Print on Demand *****.This coloring book contains a complete collection of the art by John Tenniel (1820-1914) published for Lewis Carroll s novel Alice s Adventures in Wonderland in the late 1800 s. Iconic illustrations of Alice, the White Rabbit, and the Queen of Hearts are joined by Bill the Lizard, the Caucus-Race members, and Father William and his son, to name but a few. This volume includes the following: ? Forty-two full page illustrations ? Single-sided pages ? Blank pages at the end of the book to test your coloring implements Due to the thickness of the paper, colored pencils are recommended. Markers may be used, though having a sheet of cardstock or a few pieces of copy paper under the page you are coloring is useful to prevent possible bleed-through onto the next illustration. Each illustration has been digitally and manually cleaned up while remaining as true to the original scan as possible, in order to create an enjoyable coloring experience. This volume is part of the Vintage Coloring series of adult coloring books by late nineteenth-early twentieth century artists.
