This book is a practical guide to help ambitious, upwardly mobile individuals to build credible leadership. While the contracts are grounded in traditional strategic initiatives to advance ones career and elevate the business bottom-line, the principles also offer valuable suggestions to establish other partner-relationships, including spousal and parental opportunities. The 10 Leadership Contracts are not rigid, legally-binding agreements. They are concrete action-steps to produce passionate partnerships grounded in trust, respect, and excellence. The 5th Contract may exemplify the healthy tension embedded in power teams: My partners are my competition AND my responsibility. This item ships from multiple locations.
