Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Analytical Statics: A Supplement to the Fourth Edition of an Elementary Treatise Mechanics I have omitted the investigations concerning the Forms of Bridges on various hypotheses, and the discussion of the Species of the Elastic Curve, which made part of the former Editions. These portions of the work are not suited to the Mathematical Student as parts of a Course of Mechanics, and occupied too much space for mere examples.
