John Hunt Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. An Angel Whispered combines heavenly wisdom with down-to-earth advice in this inspiring guide on happiness. An angel reveals the elusive but yet simple equation for happiness: Peace of Mind + Love in Your Heart = Happiness . But how can our minds be peaceful when the world is filled with so much pain, suffering, and injustice? And how can our hearts love in the face of hatred, anger, or indifference? An Angel Whispered answers the questions that weigh on our minds and shows us how to enable our hearts to love again. It explores new ways of thinking about who we are, why we are here, and why things happen. This allows us to accept the things we cannot change while empowering us to make a difference. As we do this, we not only learn how to create happiness within ourselves but we also become angels, by spreading happiness throughout the world.
