Michael Tabirade, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Activate the Power of Winning! Desire is not something we are necessarily born with. It is cultivated through time in order to establish an order of success. In this book Desire: The cornerstone between nothing and success you will discover the following: Unearth the Qualities of the Super Successful Achieving success is a skill that can be acquired through experience, but also by having a roadmap that directs you towards a desired destination. In this book, you will learn about the core principles behind success and what is needed to get closer to your goals. It is advised that before you set out on achieving a goal, you should do all the planning and research prior in order to prime yourself for success. However, it should be recognized that leaders are not only readers but great learners of other people's successes and failures. In this book, you will also attain the key attributes required for a successful mindset. You will find the above and more in this book Take Ownership of your Superpowers In the first book, Understand Reach Expand, you would have learned how to find your core defining competencies and how that makes you the person you are today. In this book, Desire, you will begin a journey of ownership and claiming your Super Powers into purposeful use! Channel the art of Concentration and Focus If there is one skill that anyone needs to learn and master it is the skill of complete and utter focus. Focus assumes patience and a plan to abide by. If you are looking for ways to improve your ability to focus, you need to read this book. How to Get Desire to...
