Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Online Offline Self-Advertising and Self-Promotion For Books-For Beginners by Christy Davis Hi. I created this book to condense all the notes I d made, and information I d collected, during my adventures and misadventures in self-advertising and self-promotion for my books. Otherwise known as, Lessons I learned the hard way. It is full of free no cost (or) low cost tips, suggestions, and clever ideas, that you can do or create on your own. These are fun, effective, and hopefully turn out to be profitable for you. Things I found that truly work. Inside you will find some great information, some good advice, and some of the best ways I personally found to streamline my book business. Everything you do doesn t have to cost you a gob of money. Try to set your business up for free. I really wish I d had something like this when I first started. I hope it helps. GOOD LUCK!.
