Reviews

A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The American Chess Code An examination of this work will make it obvious that there are no radical changes in the fundamental Chess Laws, and no wide departure from the usual and accepted mode of Chess play. The object is rather to codify and reduce the laws to definite order; to amplify and extend definitions, until there shall be no doubt of the exact meaning of words and phrases; and, finally, to formulate the whole under clear and consistent rules that shall be competent to decide all questions that may arise under all conditions of Chess play. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
