

The Human Side of Medicine: Learning What Its Like to Be a Patient and What Its Like to Be a Physician

Filesize: 4.08 MB

Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Kaycee McGlynn)

Praeger. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. At a time of great change in the technology and delivery of medical care, the timelessness and permanence of the non-technical aspects of medicine the human side are of profound value to patients and physicians alike. With more than 30 years of medical practice, teaching, advising, and mentoring medical students and undergraduates, Savett champions two premises: first, that the importance of physicians mastering the human side of medicine is as critical as learning its biology and technology; and second, that this can be taught. Attending to the human side refines diagnosis and treatment by recognizing the uniqueness of each patients experience, and it enriches the experience for all those in the caring professions. Physicians who have always put their patients interests first and never compromised their professional values have preserved their identity, vitality, and enthusiasm as caring doctors. This is a book about what keeps the practice of medicine stimulating: not fascinating cases, but fascinating people and relationships, the best reasons to enter medicine. Learning the human side of medicine, asserts Savett, will help attract talented and compassionate people to the field. Full of stories and lessons, *The Human Side of Medicine* is important reading for those considering a career in medicine and related professions, those already practicing and patients. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
