Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Once on a time, there lived in California a gentleman whose name was Connor, -Mr. George Connor. He was an orphan, and had no brothers and only one sister. This sister was married to an Italian gentleman, one of the chamberlains to the King of Italy. She might almost as well have been dead, so far as her brother George s seeing her was concerned; for he, poor gentleman, was much too ill to cross the ocean to visit her; and her husband could not be spared from his duties as chamberlain to the King, to come with her to America, and she would not leave him and come alone. So at the time my story begins, it had been many years since the brother and sister had met, and Mr. Connor had quite made up his mind that he should never see her again in this world. He had had a sorry time of it for a good many years.
