Brand New Book ***** Print on Demand *****.FINALLY: Addressing Dental Concerns Can Be Done On Your Own Terms And In The Comfort Of Your Own Home Is the modern day dentist the way of the future? OR is the common dental checkup just a stepping stone in the evolution of our understanding of tooth decay and what can be done about it? The truth is, relying on modern dentistry techniques is a very old, outdated strategy to tackle this universally felt problem. Thankfully, our information age has enabled relatively hidden knowledge to be spread across the globe in an instant. The Natural Remedy For Tooth Decay acts as a vehicle for this precious knowledge. Complicated surgical treatments and incredibly expensive procedures can now become a thing of the past. The NEW way is the natural way. By addressing what we eat and by using other holistic aids, we can now remineralize our teeth from the comfort of our own home. There s no longer any justifiable reason to fear the dentist, YOU have the power and ability to take control of your dental..
