

Internet Guide to Cosmetic Surgery for Men (Paperback)

By -

Taylor Francis Inc, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Save time and trouble as you search the Internet for safe and reliable information on cosmetic procedures In a culture where everyone wants to look younger, more and more men are going under the knife for surgical cosmetic procedures in an effort to turn back the clock--or at least slow it down a little. The Internet Guide to Cosmetic Surgery for Men is an essential handbook for any man concerned about aging and how his appearance might affect his standing in the workforce or in the social world. Comprehensive, well-organized, and very easy-to-use, this invaluable book helps you sort through the overwhelming amount of medical information that's available online to find the reliable resources you need about general and specific surgeries, and the physicians who perform them. More than one million cosmetic procedures are performed in the United States each year on men who have found that looking younger can have benefits in the job market and elsewhere. And with so many surgeries, procedures, and over-the-counter therapies available, it's easy to get lost in the sheer volume of health care information that s...
