Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, It's Beginning To Hurt, James Lasdun, In sharply evoked settings that range from the wilds of Northern Greece to the beaches of Cape Cod, these intensely dramatic tales chart the metamorphoses of their characters as they fall prey to the gamut of human passions. The lives in them seethe with love, hate, desire, fear, tender corruption and cruel idealism. They rise to unexpected heights of decency, stumble into comic or tragic folly, they throw themselves open to lust, longing, paranoia - but they are always recognisably, illuminatingly, our lives. Winner of the BBC National Short Story Award.
