KEEGAN S POINT: LIBRARY EDITION

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Yesterday twelve-year-old Charlie Parker would have given almost anything to see Keegan s Point, the island estate built by the reclusive billionaire Marcus Keegan. Keegan died the same year Charlie was born. His body and twenty passports were the only things removed from the island-leaving a mystery and the unanswered question, who was Marcus Keegan? But that was yesterday. Charlie s biggest problem this morning was his presentation in fourth period. Since then he s been beaten up by a bully, he s lied to his mother, and he s been kidnapped by three total strangers. And, as if the day couldn t get any worse, no one even knows he s missing. Nick, one of the strangers, is one job away from finding the lost treasure he s searched for his entire life. The plan is simple: go into Keegan s mansion and follow the cryptic clues to the prize. There s plenty of time, and his team is resourceful. He never expected that Charlie would overhear his plans or that he d have to kidnap him to keep him quiet. Now there s only one way forward, and that means risking everything. Soon, Nick realizes that Charlie s involvement in his mission is the key to whether he ll succeed or fail-because there s much more at stake than a lost treasure. From the author of the Devil s Assistant books, Keegan s Point is the start of a new adventure series where not all the bad guys are bad, where you just might find yourself rooting for both the bad guys and the good guys as they work together to survive.
