Jewish Lights Publishing, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. Honest, caring words and hands-on activities to help kids accept and grow through the loss of a beloved pet. Why did this happen? How do I feel? What can I do? What happens next? The death of a pet is often a child's first encounter with grief. How your child learns to cope through this experience may affect his or her attitude into adulthood. Drawing on concepts from psychology and a broad multifaith perspective, this supportive workbook provides a sensitive and practical resource that will help children ages 7 to 13 cope with the death of a beloved animal. Children can write, draw, read, create and express feelings via concrete, hands-on activities including: Becoming a Memory Detective to piece together clues to remember their pet; Planning a memorial service and making a pet memorial; Recording photo memories of their pet; Honoring their pet's memory by giving to others. Open and gentle, this book will help your child--and you as the parent--understand difficult concepts and communicate deep feelings as your child grows through this personal season of mourning.
