Balboa Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Natalie Nokomis takes you on a journey from her unconventional childhood to the present day. With elements of humor, honesty, and sarcasm, she vividly describes observations about her experience of life, people, and the human condition. People often called her an old soul when she was a child. From an early age, she questioned the ways of the world and didn't quite understand the preconditioned realm she was born into. Natalie had many experiences as a child and young adult that developed and shaped the woman she is today. Sleeping to Awake is a collection of life experiences and invaluable lessons learned. Natalie illustrates many different versions and realities of herself throughout her lifetime. Her stories have had her look within, question herself, and evolved her to a higher level. These are the circumstances and situations that made her flourish, nurture and forgive herself. Her life has had her realize that we are all human and all on our own specific journeys toward understanding and progress. Sleeping to Awake is meant to inspire love, understanding, and awareness for the world and for ourselves. It has been created to inspire real change and transformation in the lives of those who want something greater for themselves and this planet.
