Kingsley Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The writers were considered dangerous-heretics even. They were imprisoned-banished-exiled. Their crime? They were teaching that Christians could experience inner communion with God through something they called inward prayer. A Guide to True Peace captures the essence of their teachings and makes them accessible in a small, readable volume. In these days of uncertainty and turmoil, it is of great importance that the followers of Jesus Christ know what it means to have personal communion with Him. The principles in this little book, if meditated upon and applied, will be of great help to all who are wholeheartedly seeking more of God. This first Kingsley Press edition is based on the W. Alexander edition (York, England) of 1815 and has been sensitively edited...
