The phenomenon that began with Promise continues in Book 2 of the Soul Savers Series. Change is coming. Having learned to cope with her grief, Alexis has settled into a quiet and predictable life. Until now, when a vampire appears in her room, ordering her to stop exposing his secrets in her blockbuster books or he'll come for her family. Although the threat feels uncannily real, it has to be a dream. Because monsters may exist, but vampires do not. Change is inevitable. But Alexis discovers there's a fine line between fact and fiction . . . and between insanity and reality. Especially while going through the Ang dora. She's changing, and just in time. The enemy has exploded in a fit of rage, targeting her and her family. In the transformation that gifts her with supernatural powers, not even she knows which will prevail in the battle for her soul—the goodness she was born into or the evil that flows in her blood. And the consequences for everyone she loves prove to be unimaginable. **
