An Essay concerning Human Understanding (Paperback)

By John Locke

Oxford University Press, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. I must apply my self to Experience; as far as that reaches, I may have certain Knowledge, but no farther. In *An Essay concerning Human Understanding*, John Locke sets out his theory of knowledge and how we acquire it. Eschewing doctrines of innate principles and ideas, Locke shows how all our ideas, even the most abstract and complex, are grounded in human experience and attained by sensation of external things or reflection upon our own mental activities. A thorough examination of the communication of ideas through language and the conventions of taking words as signs of ideas paves the way for his penetrating critique of the limitations of ideas and the extent of our knowledge of ourselves, the world, God, and morals. Locke's masterpiece laid the foundation of British empiricism and is of enduring interest to anyone exploring the development of philosophical thought. This sensitive abridgement uses P. H. Nidditch's authoritative text, and together with an illuminating introduction and other features, makes Locke's arguments more accessible. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest...

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

-- Prof. Murl Shanahan DDS

Extensive guideline! It's this sort of very good go through. I have got read and I am confident that I will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Joana Champlin
