BREADCRUMBS FROM THE UNIVERSE (PAPERBACK)

Balboa Press Australia, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Nicla Comparin embarked on a life of soul exploration, emotional summersaults and transformation after her mother's death in 2007. In those heartbreaking times, she learned an important lesson: She was not in control of her life. By surrendering to the invisible, she gained acceptance of her mother's death. In that moment, she experienced liberation, freedom and a peaceful feeling of immensity. Now aware that the life she had been living was just an illusion, her journey to truth and peace could finally begin. In Breadcrumbs from the Universe, Nicla Comparin touches on different matters fear, karma, forgiveness, patience, mind detoxification, compassion, and more. She shares her new way of thinking, her new way of living, and her new attitude to embrace life's experiences fully. Written while immersed in her soul growth, Breadcrumbs from the Universe explores the transformational shift from the rawness of grief to the epiphany that life is a gift with an unknown expiration date. The genuine love of the community from her small town in Italy touched her deeply at one of the most difficult times of her life. This book is dedicated to them and their compassionate and caring hearts.
