Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Works of Thomas Hood, Vol. 6 The clock struck seven - But the clock was a story-teller; for the true time was One, as marked by the short hand on the dial. The truth was, our family clock - an old-fashioned machine, in a tall mahogany case, and surmounted by three golden balls, as if it had belonged to the Lombards - was apt to chime very capriciously. However, it struck seven just as my father came down stairs from the bedroom, rubbing his hands, and whistling in a whisper, as his custom was when he was well pleased, and walking along the passage somewhat more than usual on his tiptoes, with a jaunty gait, he stepped into the sitting-room to communicate the good news. But there was nobody in the parlor except the little fairy-like gentleman, who walked jauntily to meet him, rubbing his hands, and silently whistling, in the old mirror, - a large circular one, presided over by some bronze bird, sacred perhaps to Esculapius, and therefore carrying a gilt bolus, attached by a chain to his beak. From the parlor my father went to the surgery: but there was nobody there; so he repaired, perforce, for sympathy into the kitchen, where he found the maid, Kezia, sitting on a wooden chair, backed close against the whitewashed wall, her hands clasped in her lap, and her apron thrown over her head, apparently asleep and snoring, but in reality praying half aloud. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
