Romance Divine, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many people record images of their home and holidays with still or moving pictures. Between the covers of this book lie two collections of images captured in words so readers can paint their own picture of the scene. A Natural Year reflects the ever-changing, unchanging cycles of archetypal English countryside as experienced in the herb gardens in Warwickshire and the Cotswolds, where land has been cultivated since Neolithic times. Memories of Cornwall takes you to the ancient coastline of Cornwall over many summer holidays. You can play with children on the beach, watch the moon rise over the English Channel, or visit the many sacred sites within the county. Whether listening for the sound of bees, smelling primroses or tasting snowballs, allow yourself to be transported to another place where Nature will hold you and nurture an inner peace. Please enjoy At Home and Away. Sarah J Head At Home and Away contains thirty three poems by Sarah J Head. AT HOME describes the seasons in fourteen poems that take the reader through a year in the English countryside. AWAY details a holiday in Cornwall in nineteen poems. Family, nature and a reverence for the past transport the reader to the beach, to moonlit nights, and to sacred places of long ago.
