

Beyond Our Imagination: The Diary of a Psychic Written for Young and Old Souls True Spiritual Experiences That Seem Like Science Fiction (Paperback)

Filesize: 7.98 MB

Reviews

It is one of the best ebooks. Yes, it is actually engaging, still an interesting and amazing literature. It has been developed in an exceedingly straightforward way in fact it is just following. I finished reading through this book by which basically modified me, altered the way I really believe.

James Goi Jr., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As in my first book, Beyond Our Dreams, this book was written to share a glimpse of some of the spiritual experiences available to the soul-the true self No matter the race or religion, mankind s destiny is to realize that we are all brothers and sisters who were created by the one Divine Spirit expressing love, understanding and creative power which extends beyond our present comprehension. Our goal is to recognize that this world is used for our educational experiences and that the spiritual worlds-the realms of our true home-are much closer to God s reality. Beyond our dreams are places, adventures, and perspectives that extend our material hopes and imagination. We can develop a future of spiritual purity and perfection, of unimaginable beauty and fulfillment. As in my first book, all of the events relayed in this book are true. I have attempted to describe the details as clearly as I remember. Any conversations that I portray are often accomplished without audible speech, since in the non-physical realms we tend to communicate more by thought and less by verbal exchange. Seeking psychic experience for excitement or material gain will open a person to negative and even dangerous results. Safe and wholesome psychic experience is achieved only through spiritual development, with prayer and meditation, love of God and fellowmen, requiring unselfish love and great patience. Nearly everyone brings fragments of dreams back to wakeful consciousness. Sometimes we retain only distorted half-memories or perhaps only symbols of the experiences of the higher self as our bodies slept. However, the non-self-centered natural unfoldment of the higher consciousness is the only safe path to being able to recall our nightly experiences and activities in the...
