ILLUSTRATED CATALOGUE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Illustrated Catalogue We beg to call attention to the novelty and beauty of the various styles. Each has its own peculiar character, and according as intended, for, school-room or parlor, chapel or boudoir, full purses or moderate incomes; they are marked either by a chaste simplicity that avoids forbidding plainness, or by a quiet elegance that never degenerates into a bizarre and tawdry showiness. The interior mechanism is of so simple a character, that any one can readily understand its operation. To produce an organ action, working with ease and accuracy, by the shortest and most direct methods, is, we consider, the true principle of manufacture; therefore, we make no claims for complicated patents, liable to get out of order and requiring a skilled mechanic to adjust. All the material used in construction is of the best quality, and prepared to resist climatic changes. The careful regulation of all working parts is sharply looked after, and the tone, that all-important requisite, receives special attention. The reeds are as carefully voiced in our cheapest as in the most expensive styles, and no organ leaves our factory but breathes forth that pure, sweet melody, that has ever been our great trade-mark. To these distinguishing attributes of our instruments, are due their extensive sale and wide-spread popularity.
