North Atlantic Books, U.S., United States, 2015. Paperback. Book Condition: New. 175 x 108 mm. Language: English . Brand New Book. What if we lived in a world where everyone had enough? A world where everyone mattered and where people lived in harmony with nature? What if the solution to our economic, social, and ecological problems was right underneath our feet? Land has been sought after throughout human history. Even today, people struggle to get onto the property ladder and view real estate as an important way to build wealth. Yet, as the reader will discover through this book, the act of owning land--and our urge to profit from it--causes economic booms and busts, social and cultural decline, and environmental devastation. Land: A New Paradigm for a Thriving World introduces a radically new economic model that ensures a more fair and abundant reality for everyone. It is a book for those who dream of a better world, for themselves and future generations. Table of Contents Introduction Part I: The Cost of Ignorance 1. The Production of Wealth 2.
