Still Waters: Haiku for the Journey

By H G Moser

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book H. G. Moser presents 228 haiku written over several decades and derived from journeys in locales ranging from Montana and the West Coast to Alaska, Mexico, and Japan. A trip to Japan in 1982 provided the opportunity to study the works of the great Japanese haiku poets--Basho, Buson, Issa, and Shiki. Conversations with the renowned fisheries biologist, Dr. Kouichi Kawaguchi, led to a deep appreciation of these revered poets and the process of writing haiku. Although Japanese haiku may not be fully perceived without a knowledge of the language, attempts to write haiku in English can be rewarding. The format of three lines of five-seven-five syllables, inspired by momentary experiences in nature, may provide insights of a kind expressed in Wordsworth's and Dickinson's nature poems. In these, as in haiku, the natural world resonates with the inner life of the poet.

Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dylan Schaden**

This book is really gripping and interesting. Of course, it is actually perform, still an interesting and amazing literature. You will not truly feel monotony at whenever you want of your time (that's what catalogues are for concerning when you request me).
