Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Lavery s migration from Ireland to Oklahoma is a collection of historical narratives that has captured some of the Lavery family s events, struggles, losses, failures, successes and memories. It is a compilation of previous works, with some research into the genealogy of the family. The story starts with the early beginnings of the family name. It then reviews the early social climate of Ireland into the 1700s where the story starts with John Lavery s two sons; Alexander and William Lavery. The two brothers decide to migrate to the new colonies of America where they start a new journey around 1740. From there, one brother goes to Florida and the other brother (Alexander) remains in the New York/Pennsylvania area. The son of Alexander, Henry Lavery, would eventually migrate to Michigan with his brothers. From Michigan, the son of Henry, William Lavery, would move to Missouri, Wisconsin, Nebraska and Kansas before settling in Oklahoma. Today, the Lavery families are spread across North America, with history of their journey slowly being lost. This book attempts to record some of that history.
