THE SATISFIED CUSTOMER: WINNERS AND LOSERS IN THE BATTLE FOR BUYER PREFERENCE

Palgrave MacMillan. Paperback. Condition: New. 187 pages. Many organizations have traditionally relied on backward-looking metrics showing what already happened in order to determine the strategies and tactics that should drive their futures. They look at how much they sold last month or last year, how many visitors they had, what their profit margin was, how last years advertising program worked, etc. Then they decide what should happen next by looking at metrics that describe what already occurred. In Managing Forward,...
