ATMOSPHERE OF HOPE

Paperback. Book Condition: New. Not Signed; A timely intervention on climate change from the internationally acclaimed scientist and author of the hugely influential *The Weather Makers*. How close is the great climate crisis? Can our desire to overcome it drive humanity's next great waves of positive technological economic and social revolution? or will we be plunged into the dystopian collapses and terrors of civilisations past? This book describes in plain terms our climate predicament and brings news of exciting tools...
