Reviews

It is great and fantastic. Sure, it is actually perform, nevertheless an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ivy Hilll DDS)

DIDDY KONG RACING

Alphascript Publishing Feb 2010, 2010. Taschenbuch. Condition: Neu. Neuware - Diddy Kong Racing is a 1997 racing game for the Nintendo 64 developed by Rareware. 800,000 copies were ordered in the two weeks before Christmas 1997, making it the fastest selling video game at the time, according to the Guinness Book of World Records. An enhanced remake for the Nintendo DS titled Diddy Kong Racing DS was released on February 7, 2007. It is the first game to spin-off from the Donkey Kong Country series. A racing game like Mario Kart 64, Diddy Kong Racing also has a distinctive adventure mode. Some of the playable characters would later appear in their own franchise titles. The game was partially intended to introduce these future franchise characters so that gamers would recognise them when these games were released. In Diddy Kong Racing, a player can choose to drive a car, hovercraft, or airplane, though a certain level may require that the player picks one of these. 84 pp. Englisch.
