

Handling, Storage, Transportation, and Utilization of Potatoes: A Digest of Information on the Subject Published Monthly from 1938 to 1948 (Classic Reprint) (Hardback)

By Dean Humboldt Rose

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Handling, Storage, Transportation, and Utilization of Potatoes: A Digest of Information on the Subject Published Monthly From 1938 to 1948 Agricultural and Industrial Chemistry, Agricultural Research Administration, United States Department of Agriculture.) Several specific projects dealing with the general problems just listed have already been started by the United States Department of Agriculture and the State experiment stations. When this work was initiated it was realized that investigators would need to know what research had been done previously on the wide variety of problems of interest to the potato industry. Because the field of research in the program is foreign to that which has engaged most attention of potato investigators heretofore and many of these workers may not have ready access to the extensive library facilities available in the United States Department of Agriculture, the administrative advisors who supervise regional research projects conducted by the State experiment stations recommended that the Bureau of Plant Industry, Soils, and agricultural Engineering be given the responsibility for preparing a digest of recent literature dealing with the physical handling of horticultural crops in the...
