He that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die . John 11:21-26 Tony Peso s world is turned upside down the first time he is plugged into a cryonically frozen head, to experience their last ten seconds of life. If this was properly marketed, it could be massive. Ignoring the moral implications and ably assisted by Cryo-Biochemist Davis, Brit-abroad Tony makes millions selling this mind-blowing one-off hit to Billionaires. Way out of his depth from layers of deceit, he soon finds himself an international fugitive, on the run from the FBI for a murder he didn t commit. A bagful of cash, but unable to distinguish friend from foe. Now headlining America s Most Wanted, Tony finds himself writing his own memoirs from Death Row.
