A Force: The Origins of British Deception During the Second World War

By Whitney T Bendeck

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. A Force explores an area of World War II deception history that has often been neglected. While older studies have focused on the D-day deception campaign and Britain's infamous double-agents, this work explores the origins of Britain's deception activities to reveal how the British became such masterful deceivers. This is the first work to focus exclusively on A Force and the origins of British deception, examining how and why the British first employed deception in World War II. More specifically, it traces the development of the A Force organizationthe first British organization to practice both tactical and strategic deception in the field. Formed in Cairo in 1941, A Force was headed by an unconventional British colonel named Dudley Wrangel Clarke. Because there was no precedent for Clarke's A Force, it truly functioned on a trial-and-error basis. The learning curve was steep, but Clarke was up for the challenge. By the Battle of El Alamein, British deception had reached maturity. Moreover, it was there that the deceptionists established the deception blueprint later used by the London planners...
