WestBow Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Meet the new kid on the block Karah, the heroine in Warriors of the Light. She s a heroine who offers more retail value at \$13.95 than billions earmarked to fight school-bullying incidents. She s an excitable heroine who triumphs without the use of mystical incantations or witch s brews. In fact, none of the cadets or creatures in Warriors of the Light need to learn a single magic spell. Karah and her comrades conjure up God s tangible power: The kind children right here on planet Earth need to be able to tap into to slay real-world dragons. After all, how many kids can find an ancient book in a library of magic that will teach them how to boil the eye of a newt? God is the biggest thing in their valleys. He is how they get things done. Even Harry Potter could learn a thing or two from Karah s resourceful tactics. Yes, there are lessons galore smothered with hot fudge dished-up when she attends spiritual warfare boot camp alongside two boys, and Jesus teaches her how to brilliantly thwart evil. But don t worry, this book won t put anyone to sleep. Warriors of the Light is a fabulous wild ride full of unforgettable characters jumping off the margins of every page with wonder and laughter.
