

Cleaning Up the Mess: Implementation Strategies in Superfund (Paperback)

By Thomas W. Church, Robert T. Nakamura

BROOKINGS INSTITUTION, United States, 1993. Paperback. Condition: New. Language: English . Brand New Book. The federal Superfund program for cleaning up America s inactive toxic waste sites is noteworthy not only for its enormous cost - \$15.2 billion has been authorized thus far - but also for its unique design. The legislation that created Superfund provided the Environmental Protection Agency with a diverse set of policy tools. Preeminent among them is a civil liability scheme that imposes responsibility for multimillion dollar cleanups on businesses and government units linked - even tangentially - to hazardous waste sites. Armed with this potent policy implement, the agency can order the parties who are legally responsible for the toxic substances at a site to clean it up, with large fines and damages for failure to comply. EPA can also offer conciliatory measures to bring about voluntary, privately financed cleanup; or it can launch a cleanup initially paid for by Superfund and later force the responsible parties to reimburse the government. In this book, Thomas W. Church and Robert T. Nakamura provide the first in-depth study of Superfund operations at hazardous waste sites. They examine six Superfund cleanups, including three regions and both hard and...
