CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 116 pages. Dimensions: 10.0in. x 7.0in. x 0.3in. In this age of information communication technology (ICT) when the world has become a global village, your blog is just that medium of mass communication for publicizing yourself, your business and what you do online. Indeed it is an avenue for propagating your ideals, knowledge, views and thoughts, thus making it quite easy for you to be heard and your publications read by a world-wide community of people whom you would not have otherwise been privileged to reach, but for the internet. As virtually all aspects of businesses are now done online, your blog website is that showroom you need to display your products or services for millions of people to see and buy them. This book will teach and walk you through the processes of setting up your own stunning blog site, all alone. It is rich in content and consists, among other things, of simple step-by-step guide even a dummy can understand and implement. Gives a graphic illustration of the set-up procedure in living color. Provides you a platform to express yourself by enabling you publish what you want people to read. Teaches you how to make your presence business visible to over 2 billion internet users all over the world. Shows you how to monetize and make cool, extra money with your blog site. A work from home exercise that affords you the time and financial freedom to live the life style of your choice. Never before had there been such a complete guide with very analytical details and step-by-step illustration of how to set up your own monetized, professional blog, all by yourself. You will henceforth have no cause to spend your hard-earned money attending seminars or...
