Paperback. Book Condition: New. Paperback. 31 pages. They may be protecting something inside themselves, some fear or guilt or shame, or some private part of THEIR story that they're not yet ready to share. Your openness might threaten them that is when you need to lay aside all other feelings you may have concerning this and weigh in on the fact that you need to, for once in your life, do what is right for you to move on. without this person ever being a part of your life again as you have known it, sometimes for many years in my case nearly 13 years of being the Ex Wife which I prefer to be called the 1st wife. This is MY story I am sure he has a story also. But this is what I put into the relationship and have learned. If indeed I can help someone that is my purpose for this book. If it is relaxing for you to read of someone else's experience, then that is good. Even if you may see humor in any part of my story, that is even greater since laughter can be healing. I had always thought I would be married all my...
