Brand New Book ***** Print on Demand *****.This book deserves to be read by all women who strive to achieve fulfillment in both their personal and professional lives. Authors Barb McEwen and John Agno are North American s top coaches of Executive Women. They not only challenge women to get their supports in place, but to make the right choices so their health, family life, careers and relationships are not undermined. Fortunately they also give you the tools to do so. As you embrace these concepts and become a more effective leader, you ll learn how you can negotiate what you want and fine tune your time management skills. Since each of us has been given the gift of choice and the power to act, you are encouraged to take the time...
