Suddenly orphaned during the Civil War, Missouri youngsters John and Zephram Henricksen are sent to live with their aunt and uncle in the heart of abolitionist Kansas. After Confederate guerrillas ransack the town, the family flees to Nebraska, where a chance encounter with the legendary Buffalo Bill Cody, Wild Bill Hickok, and George Armstrong Custer set into motion a string of adventures that send the Henricksens on very different paths. The West comes to life in this newly revised first installment of the Western Wind Series. The Henricksens become witnesses to some of the biggest events in western history. Their adventures will lead them through perils that could never have imagined back on their Missouri farm. Along the way, they ll meet up with a renegade Indian prisoner who s bent on avenging the death of his family, killed during the massacre at Sand Creek. Their entourage also includes an irascible Irish rancher and his lovely niece, loyal friends who have also seen their share of tragedy. Those loyalties will be tested in the tiny mountain town of Central City, Colorado, as the party investigates an abandoned mine deeded to them by Hickok himself. When the mine s ownership is challenged by the powerful and intimidating Frederick Vering, the stage is set for a showdown that could shatter everyone s lives forever!.
