Infinity Publishing. Paperback. Condition: New. 214 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. There I was in solitary confinement with a very small bunk bed -- 30 inches wide and 66 inches in length. The cell was approximately seven feet by nine feet. At night, before trying to get some sleep, paper was placed in the cells floor to keep the rats from entering. What did I ever do to deserve this treatment Diesel therapy . . . miles traveled in a cage handcuffed with a lock box attached to a belly iron and leg irons . . . no knowledge of destination . . . horrible food and warm water to drink. Cant complain . . . it might get worse. At times, it did! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
