McGraw-Hill Education - Europe, United States, 2010. Hardback. Book Condition: New. 232 x 160 mm. Language: English . Brand New Book. Make Volatility and Risk Work for You with Forex Trading! This book should be in every trader/investor's library. As we come out of this depressed market, this book can be your companion, helping you avoid mistakes and enhance your trading/investment program. -Bill M. Williams, author of Trading Chaos Whether you're just getting started trading the world's most exciting financial market, or you're looking to add to your trading edge, [the authors] have written an engaging book packed with powerful techniques that you can use right now. -Rob Booker, trader, author, educator, and founder and host of The foreign exchange market is the largest trading market in the world, with average daily volume well into the trillions. Because the market is always characterized by high liquidity, forex traders benefit most from volatile markets-making it the ideal investment approach today and well into the future. Mastering the Currency Market is a comprehensive guide to currency and futures trading strategies and techniques for both highly volatile and nonvolatile markets. Putting to work their vast and highly diverse experience in forex trading, the authors explain how to take advantage of the many benefits of foreign exchange trading, including its low cost of entry afforded by margin, and the dynamic pricing by nature of the competitive marketplace. Mastering the Currency Market is divided into five sections covering: The basics of trading currencies Fundamental analysis of price valuation Technical analysis and trading charts Trading philosophy and psychological discipline Volatility and risk management With four decades of combined experience, the authors clearly communicate to you a trading method that will give you the confidence to both analyze markets and execute trades successfully, regardless of underlying market conditions. As 2008 introduced nightmare scenarios for investors around the world, it was Al Gaskill's most productive period of his trading career. He used the same trading...
