Moving with Words Actions: Physically Literate Learning for Children Ages 3 to 8 (Paperback)

By Rhonda Clements, Sharon Schneider

Human Kinetics Publishers, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The earlier that children develop a love for physical activity, the better able they are to acquire the healthy habits that will serve them well throughout their lives. Moving With Words Actions is designed to help them develop that critical physical literacy. Moving With Words Actions offers early childhood and physical education teachers more than 70 lesson plans that can be used immediately or can be used as models for creating additional lessons. The plans reinforce both physical literacy and language literacy; they use words related to children s academic learning and understanding of their immediate environment to entice them to move. The lesson plans - Use an interdisciplinary approach, integrating academic concepts from language arts, math, science, health and nutrition, community awareness, and environmental awareness - Are highly adaptable for various settings, including those working with individualized education programs and 504 accommodation plans as well as those teaching in limited spaces - Offer great noncompetitive activities that are perfect for use by recess, lunchtime, and before- and after-school specialists - Have been field tested according to best practices to ensure age appropriateness Each lesson...
