Sense-Abilities: Fun Ways to Explore the Senses

By Michelle O'Brien- Palmer

Chicago Review Press. Paperback. Book Condition: new. BRAND NEW, Sense-Abilities: Fun Ways to Explore the Senses, Michelle O'Brien- Palmer, Learning about the five senses is an important developmental stage that children must go through to better understand their bodies and the world around them. Here are dozens of fun and original science activities that explore taste, touch, sight, smell, and hearing, all tailored to the abilities and funny bones of children 4 to 8. Simple props like a pirate's eye patch or a pair of goofy sunglasses help children to understand the wonders of human sight. Wearing a spicy cinnamon-stick necklace reveals a surprising fact about our sense of smell. More activities, silly songs, and lively illustrations will inspire young scientists in their quest to understand the five senses and how we use them to make sense of our world.

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

-- **Abe Reichel DDS**

The ebook is simple in go through safer to understand. I could possibly comprehended every thing out of this composed e pdf Its been designed in an exceptionally basic way in fact it is only soon after i finished reading this pdf by which actually altered me, modify the way i really believe.
